For 40 years, Camp Sunshine has provided hope, joy and community through unique experiences for children with life-threatening illnesses and their families. At our pristine campus on Sebago Lake in Maine, more than 60,000 children, siblings, parents, and caregivers from all 50 states and 27 countries have come together for fun-filled, year-round sessions with families just like theirs. And, thanks to the incredible support of donors and volunteers, our programs are 100% free. Camp Sunshine is where families can focus on recharging, together, in a safe space with medical support available. Camp Sunshine is where families discover a community who understands. Camp Sunshine is where families find family. Learn more: campsunshine.org.
